

Dear colleagues and TRADE conference participants,

we thank you all for the interest shown and for your registrations, which are very numerous and compelling.

With a bit of delay we have prepared a preliminary version of the Conference programme that you can find attached to this message. We kindly ask you to review it and let us know if something is wrong or if you need your presentation's time moved. Also, if unfortunately you won't be able to participate, please let us know so that we can move your presentation to a poster session or remove it from the programme.

Some of you never sent us an abstract, others didn't express their preferences for the post-conference excursion, so please do that now. You can use the Registration form (available here: http://www.iarh.hr/~trade/?Registration_form). Also, if you have the possibility please send us your abstracts in English as well.

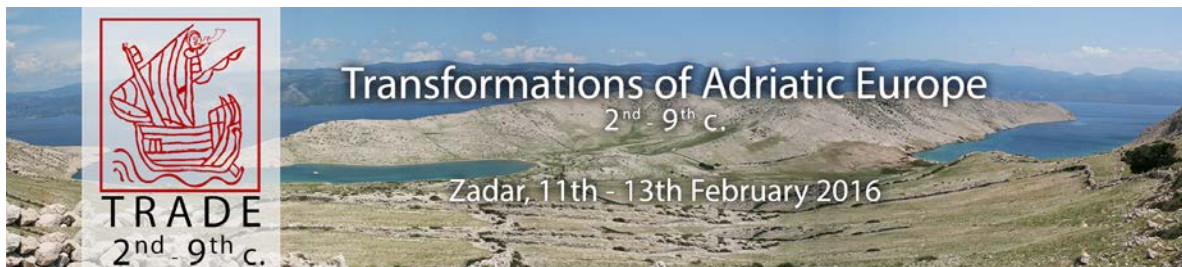

The official language of the conference is English, so we kindly ask all oral presenters to prepare communications and presentations in English. Also, we suggest that all posters are prepared in English as well. You can find the poster's layout suggestion here:

http://www.iarh.hr/~trade/?Guidelines_for_Posters_and_Proceedings

As for the conference fee, we invite you to proceed with payments now, keeping in mind that:

- at least one fee per paper/poster should be paid. However, authors presenting more than one paper/poster can pay only one fee
- in case of multiple authors, all those who will be present at the conference should proceed with fee payment. Those who will not attend the conference should pay the fee only if they want to receive the conference materials (book of abstracts and similar). If possible, please let us know in advance how many of you will be arriving.
- participants who do not have papers or posters (people accompanying participants, listeners etc.) must pay the fee if they want to take part of all conference activities (city tour, museum visits) and receive the conference materials
- students (undergraduate/graduate/phD) DO NOT pay the fee
- the cost of participating at the post-conference excursion is additional 10€ for all participants and it should be paid upon arrival in Zadar
- cancellation is extended to January 10th, after which we will not refund the participation fee

More information and payment details can be found here: http://www.iarh.hr/~trade/?Payment_Details

Some accomodation suggestions have already been posted on our website, <http://www.iarh.hr/~trade/?Accommodation>, so we invite you to review them. Otherwise, Zadar has numerous hotels and private accomodation from which you can choose. Soon we will post on our web site travel information and indications on the best routes for arriving to Zadar.

As some aspects of the conference are still to be defined, we kindly ask you for some more patience as we work on that. We will let you know more details as soon as they are defined.

Please do not hesitate to contact us with any question or suggestion.

Kind regards and happy holidays,

the Organizing committee
